DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on 6/8/06 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Patent 6317435 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 1-17 allowed.

3. The following is an examiner's statement of reasons for allowance: the prior arts in the record fails to disclose or make obvious to a system and method for identifying at least one portion of a time frame within the forward link, the identified portion of the time frame having available capacity for transmitting at least a portion of at least one previously unscheduled traffic stream in addition to any traffic streams previously scheduled to be transmitted over the forward link; and simultaneously transmitting the previously scheduled traffic streams and the portion of the previously unscheduled traffic stream using full transmission power capacity during the identified portion of the time frame within a structure of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
